Corporate data

Since 1994, we've helped our clients strengthen their image and powerfully differentiate themselves from the competition through creative web design and effective SEO Marketing. Our professional staff of marketing experts and graphic artists is ready to bring your ideas to life. WorldWise.net has four marketing employees, six designers and five sales people. Our main office is located in Clarkston, MI with two other offices located in Troy and Grand Rapids, MI.

Core Competencies

Worldwise.net has package deals for our clients to provide many services for one low price a month. The package deal is called "OneWeb" and is a low price of \$299/month which includes 15 custom pages, SEO, traffic reports, web hosting and much more. We provide professional quality at an affordable price.

Differentiators

- Best Prices –
 - We offer OneWeb which is a package deal for the best price.
- Professional environment -
 - Competence – Worldwise.net has the knowledge and skills needed for any web design or marketing based projects.
 - Reliability – We make sure the project is done fast but on time. We also make sure our meeting or phone calls are on time and scheduled correctly.
 - Honesty – We provide honest feedback to help clients for their company's website or marketing needs.
 - Listening – We make sure we take the time to listen to our clients every needs and wants.
